Overview

This document provides a comprehensive guide to various features available in the Mojomotor App. It includes details on generating and managing reports, user feedback, settings configurations, and accessing help resources. Each section is designed to help users navigate and utilize the functionalities efficiently.

Sections Included

- **Report Section** - Guide on generating, viewing, and managing reports.
- **Feedback Section** - Details on providing user feedback.
- **Settings Section** - Instructions for managing personal and security settings.
- **Help Section** - Information on accessing support and assistance.

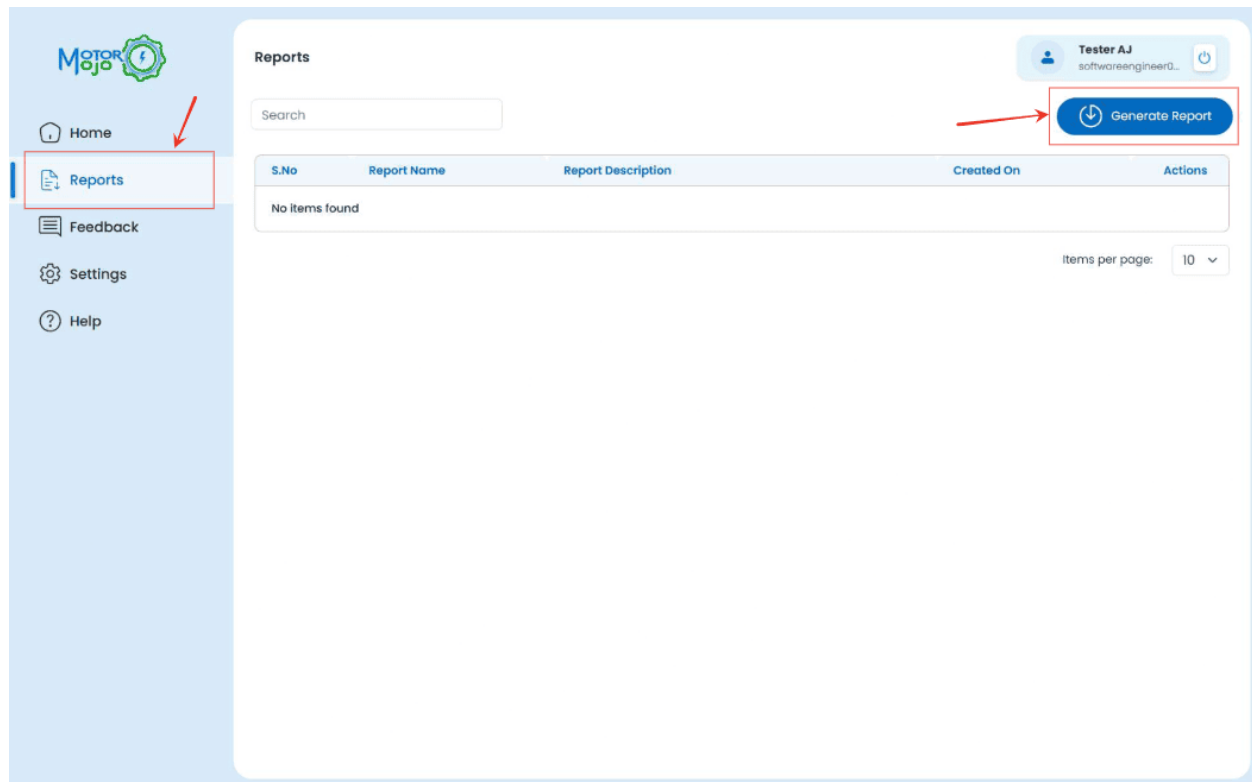

Report Section

Accessing the Report Section

1. Navigate to the **Sidebar** and locate the **Report** section.
2. Click on **Report**, which will open the **Report Table Page**.

Generating a Report

1. On the Report Table Page, locate the **Generate Report** button on the right side of the page, below the user card.

2. Click on the **Generate Report** button to open a modal.
3. In the modal, enter the following details:
 - ✓ **Report Name:** Provide a meaningful name for the report.
 - ✓ **Report Description:** Add a brief description of the report.
 - ✓ **Project Type:** Select **EV (Electric Vehicle)**.

- ✓ **Vehicle Name:** Choose the vehicle for which you want to generate the report.
- ✓ **Motor Name:** Select the corresponding motor from the existing vehicles with motors.

4. After entering all the required fields, click the **Generate** button in the modal.

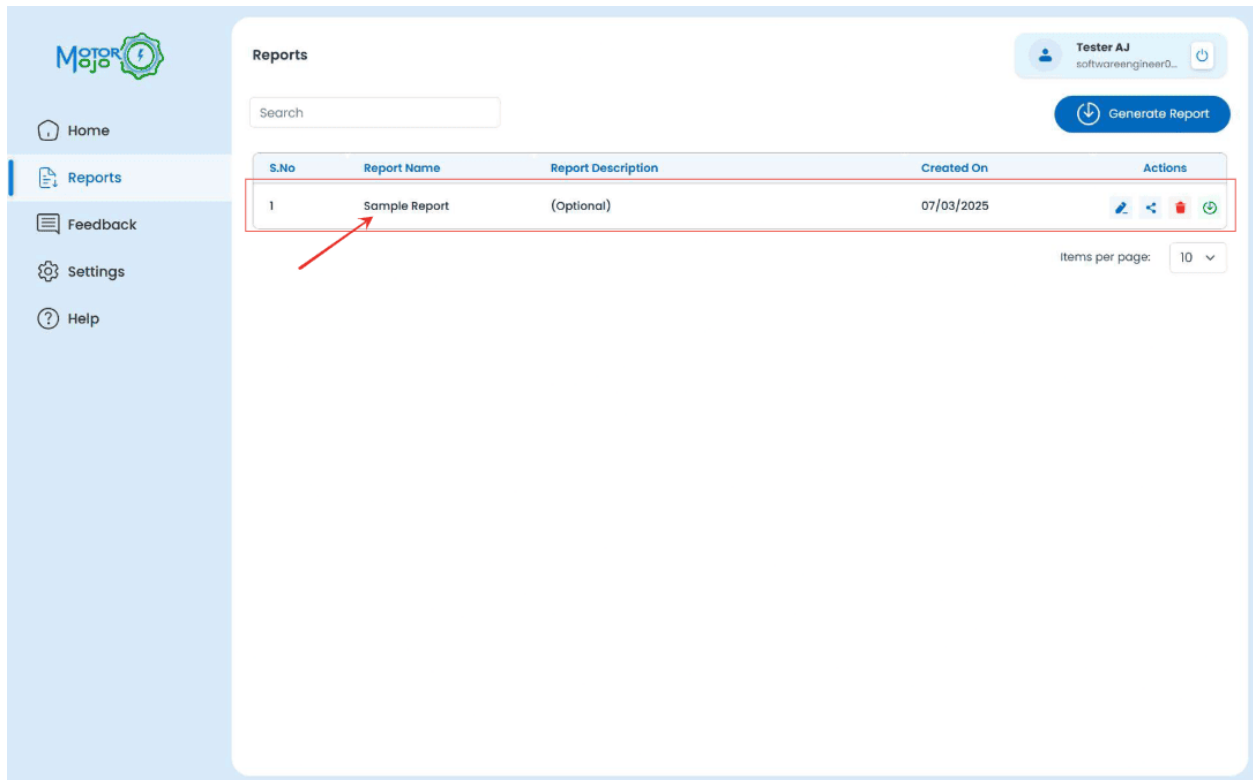

The screenshot shows the 'Generate Report' modal in the MOTOR software interface. The modal is a white box with a red border, centered on the screen. It contains the following fields and controls:

- Report Name ***: A text input field with the value 'Sample Report'.
- Report Description**: A text area with the placeholder text 'If you need Give Description for your Report' and a character count '8/50 words'.
- Project type ***: A dropdown menu with the value 'EV'.
- Vehicle Name ***: A dropdown menu with the value 'Sample Vehicle'.
- Motor Name ***: A dropdown menu with the value 'Sample Motor'.
- Buttons**: A 'Close' button and a 'Generate' button at the bottom.

Two red arrows point to the 'Generate' button and the 'Report Description' text area. The background shows the 'Reports' section of the software with a search bar and a table with columns 'S.No' and 'Report N'.

Viewing the Generated Report

- Once generated, the report will be displayed in the **Report Table** with the provided name, Description, created On & Actions.

The screenshot displays the 'Reports' section of the MOTORf application. On the left is a sidebar with navigation links: Home, Reports (active), Feedback, Settings, and Help. The main content area is titled 'Reports' and includes a search bar, a 'Generate Report' button, and a user profile for 'Tester AJ'. Below these is a table with the following data:

S.No	Report Name	Report Description	Created On	Actions
1	Sample Report	(Optional)	07/03/2025	[Edit] [Share] [Delete] [Refresh]

A red arrow points to the 'Sample Report' entry in the table. The table also features a 'Items per page' dropdown set to 10.

- Click on the **Report Name** to open a preview of the report in **PDF format**.

Report Viewer

Vehicle-Master Report Name: Tester AJ
Email:
Generated On: 14-03-2025

Vehicle Name : Sample Vehicle
Vehicle Description : Sample Vehicle Description
Created on 07/03/2025

Vehicle Dynamics Input

Vehicle Parameters:

Vehicle Parameters	Value
Battery Voltage (DC-V)	48
Drag Coefficient	0.4
Frontal Area (m ²)	3.25
Gear Efficiency (%)	90
Gear Ratio	8
Gross Vehicle Weight (kg)	700
Rolling Resistance Coefficient	0.015
Wheel Radius (m)	0.23

Performance Specs:

Performance Specs	Value
Acceleration from rest to speed (kmph)	25
Continuous Gradient (°)	5
Gradeability (°)	12
Length of Grade (m)	20
Max Speed on Level Road (kmph)	55
$P_{sh} / P_{max\ gear}$	2.5
Speed on continuous Gradient (kmph)	20
Time to Accelerate (s)	11
Time to cross grade from rest (s)	11

Drive Cycle:

- You can scroll through the report to review its contents.
- In the previewer, you can:
 - ✓ **Zoom In** to enlarge the report.
 - ✓ **Zoom Out** to reduce the report size.
 - ✓ **Download** the report using the option in the top-right corner of the previewer.

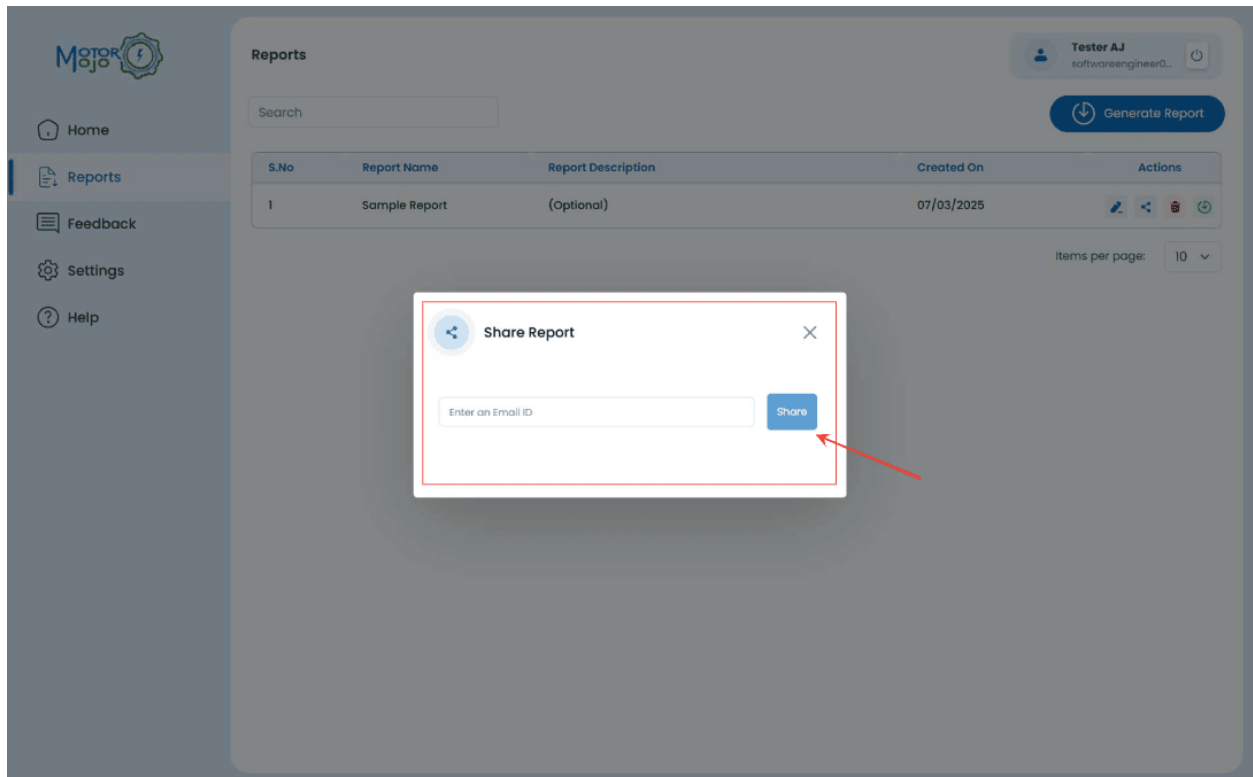

Managing Reports in the Action Column

- **Edit Report Name:** Modify the given name of the report.

The screenshot displays the MOTOR 8.0.8 Reports management interface. On the left is a sidebar with navigation links: Home, Reports, Feedback, Settings, and Help. The main content area is titled 'Reports' and includes a search bar, a 'Generate Report' button, and a table of reports. The table has columns for S.No, Report Name, Report Description, Created On, and Actions. A modal window titled 'Edit Report' is open, allowing users to edit the 'Sample Report'. The modal contains a 'Report Name' field with the value 'Sample Report' and a 'Report Description' field with the value '(Optional)'. A red arrow points to the 'Report Description' field. The modal also shows a word count of '1/50 words' and 'Cancel' and 'Save' buttons.

S.No	Report Name	Report Description	Created On	Actions
1	Sample Report	(Optional)	07/03/2025	   

- **Share Report:** Share the report internally with other users of Mojomotor.

- **Delete Report:** Remove the report if no longer needed.

The screenshot displays the 'Reports' section of the MOTOR OJO application. On the left is a sidebar with navigation links: Home, Reports (active), Feedback, Settings, and Help. The main content area shows a table of reports. A modal dialog titled 'Delete' is open in the center, asking for confirmation to delete a report. A red arrow points to the 'Delete' button in the dialog.

Generate Report

S.No	Report Name	Report Description	Created On	Actions
1	Sample Report	(Optional)	07/03/2025	   

Items per page: 10

 **Delete**

Are you sure you want to delete this report?
Once deleted it cannot be retrieved.

- **Download Report:** Click on the **Download icon** to save the report in PDF format.

The screenshot displays the 'Reports' section of the MOTORojo application. On the left is a sidebar with navigation links: Home, Reports (active), Feedback, Settings, and Help. The main content area is titled 'Reports' and includes a search bar, a 'Generate Report' button, and a user profile for 'Tester AJ'. Below these is a table with the following data:

S.No	Report Name	Report Description	Created On	Actions
1	Sample Report	(Optional)	07/03/2025	  

A red box highlights the 'Download' icon (a green circle with a white download symbol) in the 'Actions' column of the first row. A red arrow points to this icon. Below the table, there is a pagination control showing 'Items per page: 10' with a dropdown arrow.

Feedback Section

Overview

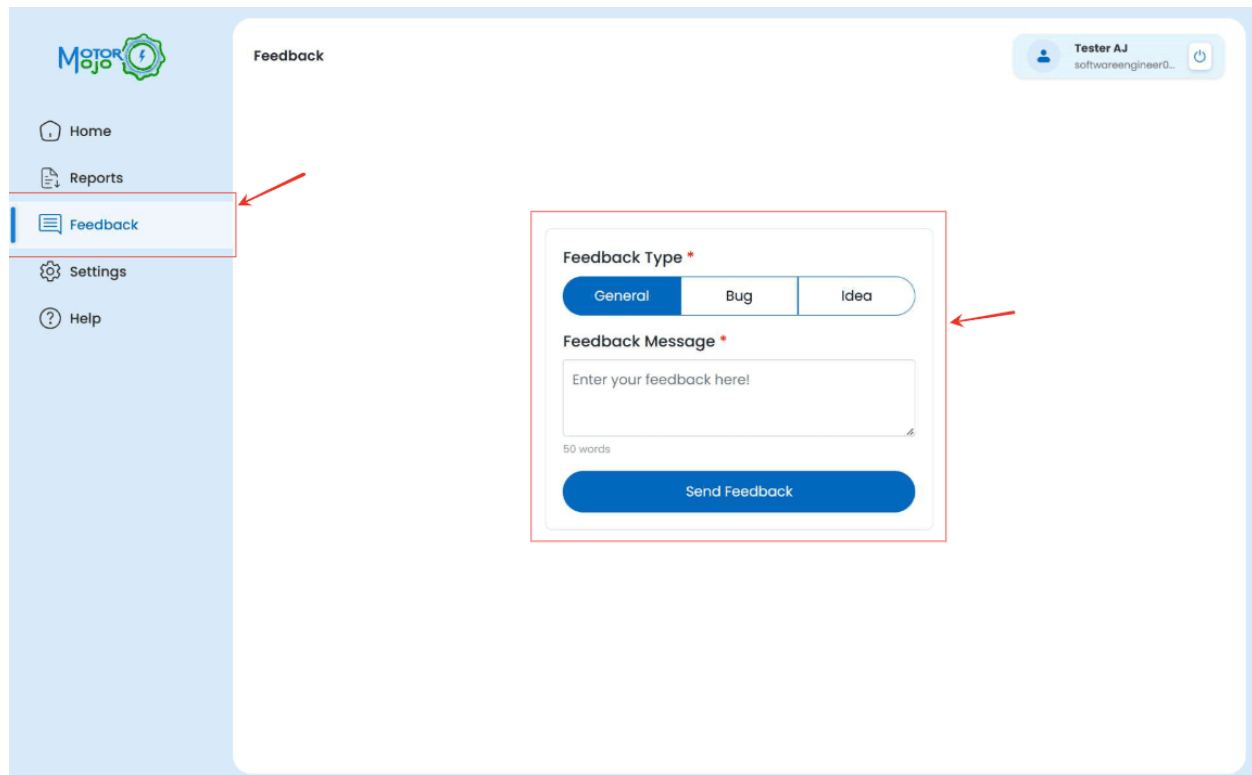

The **Feedback Section** enables users to provide valuable insights regarding their experience using Mojomotor. It allows users to report issues, suggest new ideas, and share general feedback about the application. This feature helps improve the app by categorizing feedback based on user interaction.

Accessing the Feedback Section

- Navigate to the **Sidebar** and locate the **Feedback** section.
- Click on **Feedback** to open the feedback submission page.

Submitting Feedback

1. On the **Feedback Page**, locate the **Submit Feedback** button.

The screenshot displays the Mojomotor application interface. On the left is a sidebar with the Mojomotor logo at the top, followed by navigation links: Home, Reports, Feedback (highlighted with a red box and a red arrow), Settings, and Help. The main content area is titled 'Feedback'. In the top right corner of this area, there is a user profile for 'Tester AJ' with the email 'softwareengineer0...'. The feedback form itself is titled 'Feedback Type' and has three tabs: 'General' (selected), 'Bug', and 'Idea'. Below the tabs is a text input field labeled 'Feedback Message' with the placeholder text 'Enter your feedback here!'. A word count indicator shows '50 words'. At the bottom of the form is a blue button labeled 'Send Feedback'. A red box and a red arrow highlight the 'Feedback Type' section and the 'Send Feedback' button.

2. Click on the **Submit Feedback** button to open a feedback modal.

3. In the modal, fill in the following details:

▲ **Feedback Type:** Choose from three available categories:

- ✓ **General:** Share overall thoughts, suggestions, or experiences regarding the app.
- ✓ **Bug:** Report any technical issues or malfunctions encountered.
- ✓ **Idea:** Suggest improvements or new features that can enhance the application.

▲ **Feedback Message:**

- ✓ Enter a brief description of your feedback (up to **50 words**).
- ✓ Clearly state your perspective, experience, or issue.

4. Click the **Send Feedback** button to send your feedback.

Managing Submitted Feedback

- Once submitted, feedback will be recorded in the system for further review by the Mojomotor team.
- Users may receive updates or responses regarding their feedback based on the app's feedback review process.

Settings Section

Overview

The **User Settings** section allows users to manage their personal information and security credentials. It is accessible via the **Sidebar** by clicking on the **Settings** option.

The **Settings page** consists of two tabs:

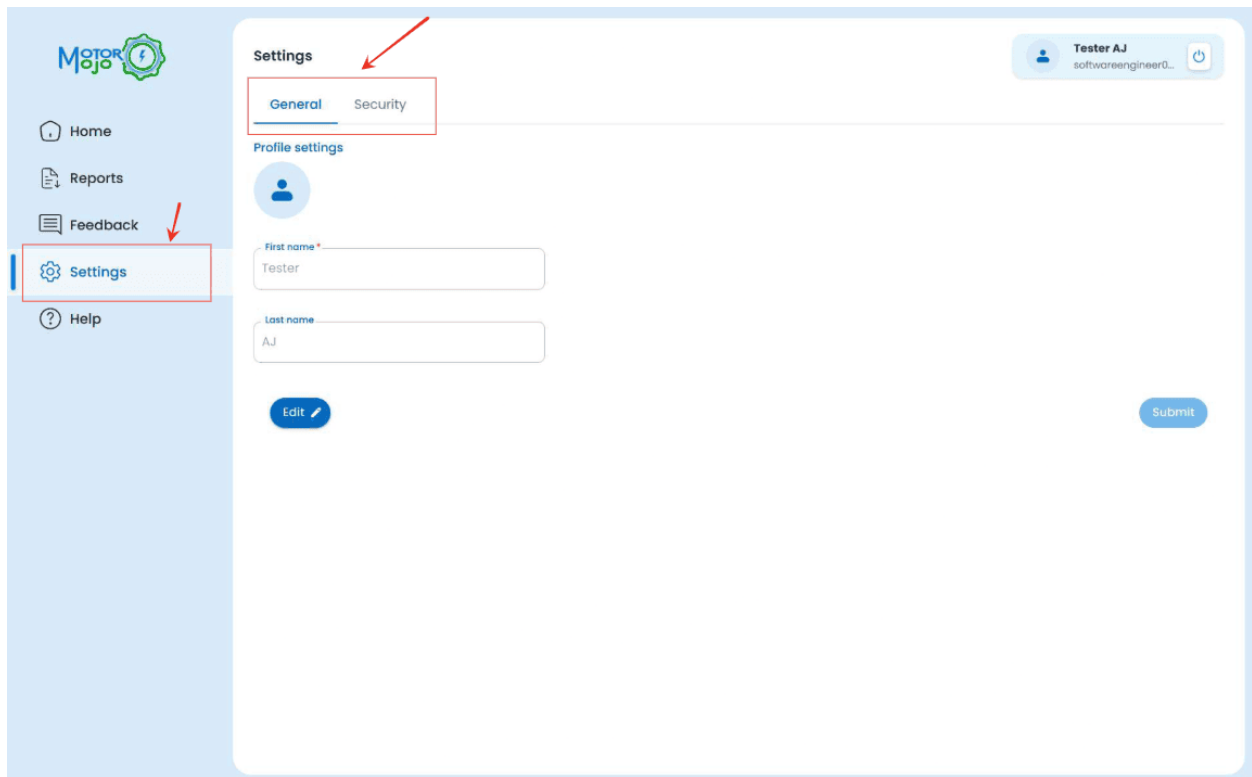

- **General**
- **Security**

General Settings

The **General Settings** tab enables users to view and edit their personal details, including their **first and last name**, and update their **profile picture**.

Editing User Name

- Navigate to the **Settings** page and select the **General** tab.

The screenshot displays the MOTORJOJO user interface. On the left is a sidebar with navigation links: Home, Reports, Feedback, Settings (highlighted with a red box and arrow), and Help. The main content area is titled 'Settings' and has two tabs: 'General' (selected, highlighted with a red box and arrow) and 'Security'. Under the 'General' tab, there is a 'Profile settings' section. It includes a profile picture placeholder, a 'First name' input field with the value 'Tester', and a 'Last name' input field with the value 'AJ'. Below these fields are two buttons: 'Edit' (with a pencil icon) and 'Submit'.

- Click the **Edit** button to modify your **First Name** and **Last Name**.

The screenshot shows the Motor Jojo application interface. On the left is a sidebar with navigation links: Home, Reports, Feedback, Settings (highlighted), and Help. The main content area is titled 'Settings' and has two tabs: 'General' (active) and 'Security'. Under the 'General' tab, there is a 'Profile settings' section. This section contains two text input fields: 'First name' (with a red asterisk) containing the text 'Tester', and 'Last name' containing the text 'AJ'. Below these fields is a blue 'Edit' button with a pencil icon, which is highlighted with a red box and a red arrow. To the right of the 'Edit' button is a blue 'Submit' button. At the top right of the settings area, there is a user profile card for 'Tester AJ' with the email 'softwareengineer0...' and a power icon.

- Enter the updated details in the respective fields.
- Click the **Submit** button to save the changes.

Updating Profile Picture

- Click the **Edit** button in the **General** tab.
- Click on the **Profile Picture Edit Icon**.
- Upload a new image from your device.
- Click **Submit** to save the updated profile picture.

Security Settings

The **Security** tab allows users to change their account password for enhanced security.

Changing Password

- Navigate to the **Settings** page and select the **Security** tab.
- Enter the **New Password** in the provided field.
- Re-enter the **New Password** to confirm.
- Click the **Submit** button to update the password.

The screenshot shows the 'Settings' page of the MOTORJOJO application. On the left is a sidebar with navigation links: Home, Reports, Feedback, Settings (highlighted), and Help. The main content area is titled 'Settings' and has two tabs: 'General' and 'Security' (which is selected and highlighted with a red box). Below the tabs is a 'Reset Password' section. It contains two input fields: 'New Password' and 'Re-enter New Password', both highlighted with red boxes. Each field has a toggle icon to its right. At the bottom right of the form is a blue 'Submit' button, also highlighted with a red box and pointed to by a red arrow. In the top right corner of the settings area, there is a user profile card for 'Tester AJ' with the email 'softwareengineer0...' and a power icon.

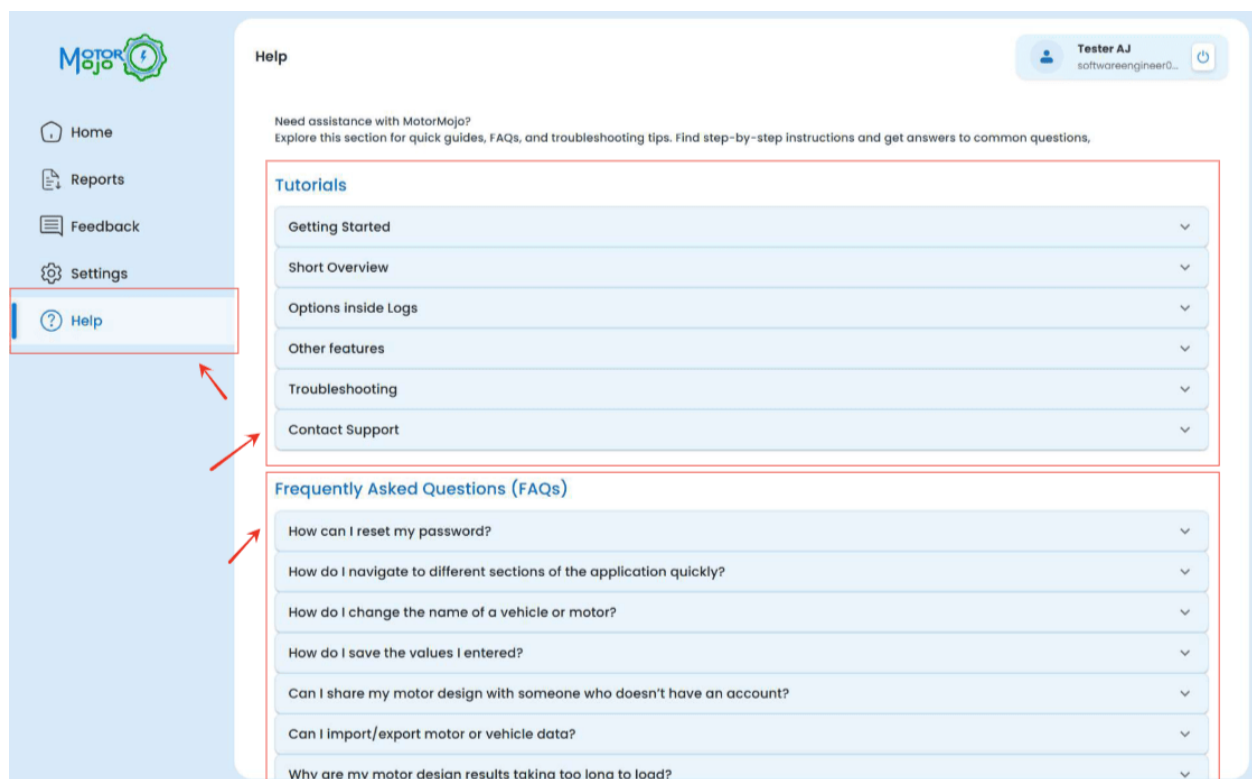

Help Section

Overview

The **Help Section** serves as a support resource for users, offering guidance on using Mojomotor effectively. This section provides **tutorials** and a **FAQ section** to assist users with common queries and application features.

Accessing the Help Section

- Navigate to the **Sidebar** and locate the **Help** section.
- Click on **Help** to access the available resources.

Tutorials

- The **Tutorials Section** contains step-by-step guides on using different features of the Mojomotor app.
- Users can browse tutorials to learn about the functionality of the app and optimize their experience.

FAQ (Frequently Asked Questions)

- The **FAQ Section** addresses common questions related to Mojomotor's features, troubleshooting, and best practices.
- Users can browse through categorized questions to find solutions to their issues.

This section ensures that users can access the necessary help and guidance to efficiently navigate the Mojomotor application.

Conclusion

This document serves as a comprehensive guide to the key features available in Mojomotor, providing users with clear instructions on generating reports, submitting feedback, managing account settings, and accessing support resources. By utilizing these features effectively, users can enhance their experience and streamline their interactions with the Mojomotor application. For further assistance, users are encouraged to explore the Help Section or reach out to the support team.
